Example 1

Scene: Parvana loses her father to the Taliban

Song: Fix You by Coldplay

Lyrics:

*Tears stream down your face
When you lose something you cannot replace
Tears stream down your face
And I...*

Explanation: I chose this song especially for the scene where Parvana's father is taken away by the Taliban. The lyrics say "tears stream down your face, when you lose something you cannot replace". Right after the scene Parvana is crying because she has just lost her father who is someone that is irreplaceable to her and the family.

Example 2

Scene: Parvana being turned into a boy

Song: Try by Pink

Lyrics:

*Where there is desire
There is gonna be a flame
Where there is a flame*

*Someone's bound to get burned
But just because it burns
Doesn't mean you're gonna die
You've gotta get up and try, and try, and try*

Explanation: I like the lyrics "But just because it burns doesn't mean you're gonna die" because it relates with her hair being cut off and how hard that must have been. It must have hurt inside much and though it hurt she survived. Parvana then has to try everyday to "be" a boy.
